Workshop transfer planner

Plan a workshop so that people use what they learn. The facilitator completes the first part. Each participant completes the action plan at the end of the session.

The outcome, written as an action

What will participants do differently, where, and how often?

Before

- [ ] Outcome agreed with leaders
- [ ] Time and support for practice confirmed
- [ ] Participants asked to bring real work
- [ ] Examples of good practice ready

After

- [ ] Check-in booked for two to three weeks later
- [ ] One piece of evidence requested
- [ ] Examples shared with the group
- [ ] Managers or coordinators informed

During

- [ ] At least half the time on practice
- [ ] Show, try, feedback
- [ ] Each person writes an action plan
- [ ] A tool they will keep using

Support from leaders

What will leaders or managers do to support practice?

Participant action plan

What I will try	
With whom	
By when	
What I will bring as evidence	
What might get in the way, and what I will do	

Three weeks later

What are you doing differently? Describe it in one sentence.
